## 1. Overview of the AI-House HUB-4

### 1.1 Overall concept of the residence

AI-House HUB-4 is a new international residence that opened in March 2022. Residents who come from different cultural and social backgrounds stay there together, and that experience will deepen understanding about different culture, improve communication skills, and foster their capability of acknowledging and tolerating with others.

In the residence, there are various educational programs and events organized by the Resident Assistants (RAs). Each resident will have opportunities to think about yourself and the world through global perspectives. To realize a safe and comfortable residence experience, Toyo University and National Student Information Center Co., Ltd. will closely coordinate with each other in the operation of the residence.

### 1.2 Location

### ③ Common spaces

- AI-House Global Dining Hall ○Study Hall ○RA Meeting Room
- Shower room and toilette ○AI Studio ○Music Room ○AI Kitchen Diner (common kitchen)
- Study Rooms ○Multi-Purpose Rooms ○Laundry Rooms ○Bicycle parking

### ④ Unit system

A unit is a basic community group composed of you and other 11 neighbors. Each floor has 6 units. An RA is assigned to each unit and manage rules and communication within the unit.

You will be sharing a shower room and other common spaces with your unit members. You will be asked to make a unit contract, a list of rules that every member in your unit has agreed upon. If you have any concerns or anything that you would like to consult, we encourage you to contact the RA of your unit first.

## 1.4 Residence management company

AI-House HUB-4 is managed by National Student Information Center Co., Ltd (NASIC). NASIC is specialized in student residence management. They will coordinate with Toyo University closely to provide a safe and comfortable residence environment.

## 1.5 Residence manager and security guard

### ①Residence manager's office

- On the 1st floor
- Hours open : 8:00 – 19:00 (Monday through Saturday, closed between 12:00-13:00)  
Closed on Sundays, national holidays, *obon* and New Year periods
- The managers are married couple who are living on the first floor. They speak English. You can contact them about any concerns or issues about facility and your residence life.
- You should contact them about delivery and lost/damaged keys.
- All mails are delivered to your mail box. If the luggage does not fit the delivery box, the manager will store it in the manager's office. You will get a slip in your mail box to let you know that your luggage is waiting to be picked up.

### ②Security guard's room

Please notify the security guard in case of emergencies in the late night and early morning. The security guard is at work in the residence manager's office.

- On the 1st floor
- Hours open : 19:00 – 8:00 in the following morning (Monday through Saturday)  
All day on Sundays and national holidays
- There are time periods when the security guard is on patrol or on a break. If the security guard is not in the office, please call his/her mobile phone.

## **2. Residents**

### **2.1 Eligible persons**

Residents of the AI-House HUB-4 are limited to:

- (7) Participants in Toyo's short-term programs
- (8) Other persons who were permitted to stay by the Director of the Center for Global Education and Exchange or the Director of the International Affairs Office

### **2.2 Resident Assistants (RAs)**

In the AI-House HUB-4, there are RAs. They are student staff who stay in the residence and provide various kinds of support to residents. Their main duties and responsibilities include:

- (1) Resident support (moving-in and -out, informing residence rules, checking items for borrowing, dealing with in-residence trouble, communicating with residents)
- (2) Planning and organizing in-residence events (including PR)
- (3) Supporting international students (helping government office paperwork, accompanying medical appointments, and many more)

Each RA is assigned to a unit that he/she is in charge of. Please know who the RA of your unit is and consult him/her if you have any issues.

U&AI Hours is a time period when RAs is at work in the AI Kitchen. They are from 19:00 to 20:00 on weekends during semester (excluding the days when RA meeting is held). You can talk to them on a walk-in basis. Reservations for common spaces can also be made during these hours. If you have any issues, please use this service.

## **3. Moving-in and Moving-out**

### **3.1 Period of stay**

- (1) Degree-seeking students can stay for 4 semesters at maximum. If they are hired as an RA in the middle of that term, another 4 semesters will be added.
- (2) International exchange students can stay for the period of their study abroad term (within 11 months).
- (3) RAs can stay for 4 semesters.
- (4) Exchange researchers can stay for the period of agreement with the host institution (within 1 year).

- (5) Visiting professors and researchers can stay for the period of their contracted term.
- (6) International students invited by a research institute or center can stay within the invited term.
- (7) Participants in Toyo's short-term programs can stay during the program period.
- (8) Persons who were permitted to stay by the Director of the Center for Global Education and Exchange or the Director of the International Affairs Office can stay for the period permitted.

### 3.2 Application and moving-out

#### (1) Application

You should apply on the residence website. Please follow instructions given by NASIC about document submission and payment of housing fees.

#### (2) Moving-in day

Check-in is available from 9:00 to 18:00 on weekdays and Saturdays.

Please arrive at the designated time, receive explanation about moving-in and your key. You should give a damage check as soon as you move in and submit the checklist to the residence manager. Family members of the same sex can help the new resident move in on the residential floor.

#### (3) Application for moving-out

**You need to submit a moving-out notice by the 15th of the previous month of your moving-out. International exchange students do not need to do so.**

Housing fee for the month that you are leaving will be calculated based on the number of days you stay in that month. If you did not submit a moving-out notice by the 15th of the previous month, the full monthly fee will be charged.

You should apply well in advance if you would like to remove oversized garbage. It takes a few weeks or even a month until the actual garbage collection.

#### (4) By 2 days before moving-out

Please clean up your room, pack or remove all of your belongings. It is required to get the room back to the original state when you moved in.

#### (5) The day before moving-out

The residence manager will give an exit room check. If any items were left after your departure, they have to be removed immediately.

#### (6) Moving-out day

Please return your keys and meal card.

#### Notes:

- 1) Period of stay is on a semester basis.
- 2) It is not possible that the resident moves out during a long break (summer, winter, or spring breaks), spend the break outside, re-apply and move into the AI-House again (e.g., moving out of the AI-House at the beginning of spring break, spending the break in resident's home country, reapplying for the AI-House, and moving in at the end of March).

\*3 The full rate will be charged for the last month of your stay even if you leave in the middle of the month.

You will be asked to pay by direct debit. For those who do not have a Japanese bank account, payment at convenience store is possible. Please follow the instruction from NASIC and complete the payment by the deadline.

Please note that although utility charges are included in the monthly fee, if excessive use is found, you may be charged additionally. We ask every residence to live in an eco-friendly way.

In case that your monthly fee is not paid for 2 months, you will get a warning of expulsion.

Please refer to the Application Guide for the initial cost.

## 5. Facility and Equipment

### 5.1 Residential floors

2nd and 3rd floors are for male students, and 4th and 5th floors are female students. Entering the floor of the opposite sex is not allowed at any time. You cannot enter the opposite-sex floors with your card key. However, there may be occasions where residence managers, security guard, cleaning staff and university staff go to the opposite-sex floor for operative and management reasons.

### 5.2 Facility and equipment

The below table shows items that each private room is equipped with. If any damage is given, please inform the residence manager or RA and do not remove the damaged item yourself. Immediately after you move in, you are supposed to check your room following the damage checklist and submit it to the residence manager. If any damage is given to the undeclared items, repair fees may be charged (see 5.7 for details). Landline phone and TV cannot be used in the residence as there is no cable socket.

- Bicycles without the sticker will be subject to be removed. Also, commuting to university campuses by bicycle is not allowed.
- No car or motorbike should be parked in the residence.

## **6. Dos and Don'ts**

### **6.1 Visitors**

Visitors can come only in the lobby on the first floor. They are allowed from 8:00 to 18:00 on weekdays and Saturdays. They are not allowed when the Residence Manager's Office is closed. Here is the procedure to let visitors in:

1. Check-in at the Residence Manager's counter
2. Resident must accompany the visitor when checking in.
3. Receive the Visitor Pass.
4. Return the Visitor Pass when leaving.
5. Resident must accompany the visitor at all time while he/she is in the residence.

Special cases will apply in emergencies.

### **6.2 Staying out**

When you stay out, please submit online form. If any changes are made in your plan, please submit the form again. It is important for us to know where you are in case of emergencies.

### **6.3 Quiet Hours**

Quiet Hours are from 22:00 to 7:00 in the following morning. During these hours, you should pay special attention to the following points:

- Parties and cleaning must be finished by 22:00 on the residential floor.
- No loud music is allowed.
- Close doors quietly.
- If you wish to talk on the phone or use a hair dryer, please do so in your room.
- Study Rooms 1 and 2 and Multi-Purpose Rooms 1 and 2 cannot be used for group work after

22:00. You may use those rooms for quiet individual work.

## **6.4 Don'ts**

### Smoking and drinking

- AI-House HUB-4 is a non-smoking residence.
- Drinking alcohol is allowed only in resident's individual room. Do not drink in common spaces and cafeteria.
- Japanese laws prohibits smoking and drinking under the age of 20. The University will give severe penalties to any act of breaking the laws or troubling other residents (such as making noise, creating smoke, leaving garbage).

### Individual rooms

- Please take off your shoes when you come in.
- Please do not reform or renovate the room. Use of pushpins is also not allowed. You may use stickers that can be removed completely on the walls.
- Please do not bring any heavy items that may damage the structure. Also, any dangerous items such as guns, swords, and explosive items, are not allowed.
- Please do not use a kerosene or electric stove.
- Please do not use candles.
- Keeping pets is not allowed.
- Please do not throw tissues or gauze into the drain.

### Acts that can bother other residents

- Please do not make loud noise or play music loud. Conversation in a loud voice can be trouble to other residents and neighbors.
- Any other acts that trouble other residents and neighbors are strictly prohibited.

### Others

- Please do not enter staff-only areas.
- Please do not leave any personal belongings in hallways, stairs, entrance, evacuation exits, and common spaces.
- No drinking or barbequing outside is allowed.

## **6.5 Cleaning**

### **Individual rooms**

- Each resident should clean his/her room.
- It is resident's responsibility to deal with pests. If you find them often, please contact the

Residence Manager or RAs.

- Please ventilate your room often to avoid molds from growing. Resident will be responsible for paying repair cost of any damage by molds.

### **Common spaces**

- Please make sure that you clean the space after you used there.
- You need to dispose garbage after you used there. Especially, garbage in kitchens has to be handled carefully as it creates bad smells.
- If you notice that disinfectants or soaps need to be replenished, please bring the bottle to the Residence Manager's Office. The manager will fill it up.

### **Garbage**

Please sort the garbage and bring it to the garbage storage on the first floor, following the garbage-sorting rules set by Kita Ward.

- Burnable
- Non-burnable
- Recycle (cans, plastic bottles, newspaper etc)

For burnable and non-burnable garbage, you should put it in a plastic bag and leave it in the plastic bucket in the garbage storage. Cans, plastic bottles, bins should be put in a plastic container in the storage. Please don't forget to remove the cap and wash the bottle before disposal.

- Oversized garbage :

<http://www.city.kita.tokyo.jp/kitakuseiso/kurashi/gomi/bunbetsu/kate/sodai.html>

You need to submit your application for collection of oversized garbage. Please refer to the URL above and apply online, get a disposal ticket, and stick it to the garbage. Collection date is usually appointed by Kita Ward and you are supposed to put your garbage at the collection site outside the garbage storage. **It usually takes about a month until your garbage is actually collected, so please complete an application well in advance.**

### **6.6 Fire**

Please pay special attention when you use fire (especially when cooking). Fire sensor and alarm system are installed in the building.

### **6.7 Order of expulsion**

Occupants who are ordered to leave the Toyo University International House for one of the specific reasons stated below must leave by the date designated by Toyo University.

- (1) If it is revealed that there was a false statement in the process of occupancy.
- (2) If there is any damage caused by fire outbreak, destruction of property, or negligence.
- (3) If the payment of lodging charges is neglected.

- (4) If the rules of use of the International House are continually violated or neglected.
- (5) If the continual residence in the International House is judged as inappropriate for reasons other than those stated above.

### **6.8 Indemnity**

If any occupant, due to his/her intentional or serious mistake, should damage or harm the facilities, equipment, furnishings, and so on, he/she must replace or restore the damaged items to their original state and pay for the damage.

### **6.9 Disclaimer**

Toyo University will not be held responsible for any accident or loss of personal property or borrowed items inside the International House, which are the responsibility of the occupants. Toyo University will also not be held responsible for any damage to occupants caused by natural disasters such as earthquakes, natural calamities, floods, etc., or fires, theft, and other reasons which are not attributable to Toyo University.
